

CHÂTEAU DE MEURSAULT

CLIMAT CARD BEAUNE PREMIER CRU GRÈVES LES TROIS JOURNAUX

CLIMAT & TERROIR

In the heart of Les Grèves, the area of this plot represents 3 days of work that a horse can achieve.

Operated vineyard surface: 1 hectare **Grape variety:** Pinot noir
Appellation: Beaune Premier Cru **Exposure:** East
Soil: clay-limestone, almost sandy **Location:** middle of the hill-side

VINIFICATION & AGEING

Manual sorting before destalking the grapes, followed by optic sorting in order to select the most beautiful the berries which are put into thermoregulated stainless steel vats for 15 to 18 days of cold maceration. Alcoholic fermentation lasts 5 to 6 days. The fermentation may be punctuated by push down and pumping over in order to obtain a soft and complete extraction. Ageing of 18 months in new oak barrels (40%) and in oak barrels of one or two years.

TASTING

Nez ouvert sur les fruits rouges frais accompagné d'un boisé vanillé. Sa bouche élégante est équilibrée, toute en finesse avec des tanins présents, soyeux et délicats.

Food and wine pairings: Norman partridge, stuffed onions with veal, duck stew, terrine of lamb

Cellaring potential: from 12 to 15 years
